Reference: Dye Penetrant Shelf-Life Extension Notice

Notice:

After evaluation by Kemper System America's R&D Department and review of retained stock, it was determined that the following Dye Penetrant formulation increased minimum shelf-life of 5 years (60 months) from the date of manufacture:

- C101-A
- C901N-A
- D101-A
- P101S-A
- P301W-A

This change is retroactive to all produced through the year 2019. Please note that certificates of analysis for the above products created prior to 2024 may state a shelf life of 2-3 years (24-36 months); this communication serves as notice that the shelf-life of these is extended to 5 years (60 months).

Best Regards,
